Great news!

Joan – can you let Joe Goffman and Beverly Banister know? Or I can if that works.

I wanted to let you know that on Friday morning the U&O FIP team sent the rulemaking package to OP. This has been the culmination of an outstanding collaboration between Region 8, OP, and OAQPS to generate a Regulatory Impact Assessment that will support the rulemaking. Staff at OP have indicated that they will forward the package along to OMB as early as next week.
